Laboratory Requisition

Print clearly in ink. One requisition per patient. Fields marked * are required.
When billing insurance, attach a copy of the card (front and back).

LABORATORY USE ONLY	
Accession #	
Date / time received	Received by

1. Ordering provider

Provider name (last, first, credentials) *		
Practice / facility name		
Street address *		
City *	State *	ZIP *
Phone	Fax	
NPI (10 digits) * ☐☐☐☐☐☐☐☐☐☐	Client / account #	

2. Patient

Last name *	First name *	MI
Date of birth (MM/DD/YYYY) * ☐☐/☐☐/☐☐☐☐	Sex * ☐ M ☐ F ☐ X / other	
Patient ID / MRN	Phone	
Street address		
City	State	ZIP
Patient ID required: name, or a unique ID if the name is withheld.		

3. Billing and insurance

Bill to (tick one)

☐ Commercial insurance ☐ Medicare ☐ Medicaid ☐ Patient / self-pay ☐ Client / facility account ☐ Workers' comp

Primary insurance / payer	Member / policy ID	Group #	Secondary payer
Subscriber / insured name	Patient's relationship to subscriber ☐ Self ☐ Spouse ☐ Child ☐ Other	Subscriber DOB	Secondary member ID

4. Diagnosis codes (ICD-10-CM)

1.

2.

3.

4.

Enter the code to the highest specificity. Each code must support the tests ordered; insurers deny tests that no listed code supports.

5. Specimen collection

Collection date (MM/DD/YYYY) * ☐☐/☐☐/☐☐☐☐	Collection time * ☐☐:☐☐ ☐ AM ☐ PM
Specimen type (tick all sent) ☐ Serum ☐ Plasma ☐ Whole blood ☐ Urine ☐ Swab ☐ Stool ☐ Tissue ☐ Other _____	
Specimen source / body site (where the test needs it)	
Collected by	Fasting ☐ Yes ☐ No Hours ____

6. Tests requested

* Tick each test, or write it below. Use the test codes from the laboratory's menu where shown.

Chemistry	Hematology / coagulation	Vitamins / iron / other	Lab-specific tests (add code / name)
☐ Basic metabolic panel	☐ CBC with differential	☐ Vitamin D, 25-hydroxy	☐ _____
☐ Comprehensive metabolic panel	☐ CBC without differential	☐ Vitamin B12	☐ _____
☐ Hepatic function panel	☐ Sed rate (ESR)	☐ Folate	☐ _____
☐ Renal function panel	☐ PT / INR	☐ Iron and TIBC	☐ _____
☐ Lipid panel	☐ PTT	☐ Ferritin	☐ _____
☐ Hemoglobin A1c	**Endocrine**	☐ C-reactive protein	☐ _____
☐ Glucose	☐ TSH	☐ hCG, quantitative	☐ _____
☐ Uric acid	☐ Free T4	☐ Urinalysis, with microscopy	☐ _____
☐ Magnesium	☐ PSA, total	☐ Urine culture	☐ _____

Other tests (name or code)

7. Special handling and results

Priority ☐ **STAT** ☐ Routine ☐ Fasting specimen ☐ Keep refrigerated ☐ Frozen ☐ Protect from light	Results ☐ Call critical / STAT results to: _____ ☐ Fax copy to: _____ ☐ Copy to provider: _____

Other information the test needs (e.g. clinical history, medications, last dose time, LMP, source details)

8. Ordering provider authorization

I ordered the tests marked above and they are medically necessary for this patient's diagnosis or treatment.

Ordering provider signature *	Date (MM/DD/YYYY) *

* Needed on every order. CMS (42 CFR 493.1241(c)) sets most of these; the NPI and signature are common payer and lab requirements.
