PATIENT AUTHORIZATION

I certify that I have voluntarily provided a fresh and unadulterated urine or oral fluid specimen for analytical testing. The information provided on this form and on the label affixed to the specimen container is accurate. I authorize Clarity Clinical Laboratory, LLC (CCL) to release the result of this testing to the authorized treating healthcare provider or facility. I hereby authorize my insurance benefits to be paid directly to CCL for services I have received. I acknowledge that CCL may be an out-of-network provider with my insurer. I am also aware that in some circumstances my insurer will send the payment directly to me. I agree to endorse the insurance check and forward it to CCL within 30 days of receipt. Failure to do so may result in my account being forwarded to a collection agency and reported to a credit bureau. I understand that CCL may use my specimen and any testing performed on that specimen for research, development, and potential publication purposes, as long as the information has been properly de-identified pursuant to the law.
